PAYMENT AND COLLECTION OF PURCHASED OBJECTS

Dear customers,

to avoid delays when collecting the items purchased we recommend, that you **arrange a fix collection date**. The items will then be ready and prepared for collection. Customers with a fixed date will be preferentially served. Items prepared but not collected will be stored at the buyer's expense from 9:00 am the following day at RIBI GmbH.

All items have to be paid and collected within 14 days of the auction date.

Any items not collected will be stored at the owner's expense at a forwarding agent (see also terms and conditions).

For bigger items we have arranged a special collecting service with RIBI GmbH. Please ask our collection office if your items are there.
